pledged to the Defense of the Men Accused of the Assassination of Gov. Steunenberg.

Ogden, Feb. 18.-A largely attended secting of the united workingmen of Ogden was held yesterday afternoon at he county court house when Rev. Wm. urston Brown delivered an address on the methods persued in the extradiion of Moyer, Pettibone and Heywood, the alleged leaders of the conspiracy, which resulted in the killing of Govrnor Steunenberg of Idaho, Mr. Brown ernor Steunenberg of Idaho, Mr. Brown did not in any way attempt to prove the innocence of the three men, but in strong terms deplored the methods used by the executives of Colorado, where the men lived and were actively associated with the Federation of Miners, and of Idaho, where Gov. Steunenberg was killed. He also censured the detaining of the men in prison in Idaho under such strict surveillance.

RESOLUTIONS ADOPTED. The following resolutions were adopt-

by the meeting:
Whereas, This meting is an integral "Whereas, This meting is an integral "Whereas, This meting called in the name of the working class throughout the United States and Canada to protest against the corrupt and unjust prosecution of our brothers, Moyer, Haywood and Pettihone, officials of the Western Federation of Miners; and, "Whereas, One year ago today a foul conspiracy of the mine owners and the governors of two states bore fruit at the dead of night, in the kidnappping of these men in Colorado, and their unwarranted imprisonment in Idaho, charged with the murder of ex-Governor Stunenbers. SCHWARTZFAGER HEARING.

Application for Writ of Habeas Corpus Taken Under Advisement.

Taken Under Advisement.

District Judge Howell now has under advisement the application of Atty, Maginnis for a writ of habeas corpus in the case of the state against Roy Schwartzfager, who was found over to the district court recently from Morgan county on the charge of murder in the second degree. The hearing on the application for a writ was called by Judge Howell Saturday afternoon. The applicant argued that the writ should be granted on the grounds that the justice of the peace of Morgan county, before whom Schwartzfoger had preliminary hearing had no jurisdiction in the case because defendant is but 17 years of age, therefore the attorney argued the only legal act the justice could have taken would have been to remand him to the district judge, who should hear the case sitting as a juvenile court judge, and therefore the sheriff of Morgan county has no right to hold Swartzfager or his bondsmen for his appearance, and that if he shauld fall to appear for trial the \$5,000 bond could not be collected. second degree. RATES.

Insurance agents and the public in general are rejoicing over the announcement from the office of Karl A. Schied, district insurance manager, of a reduction of 25 per cent in the insurance rates, which have been in effect in Ogden since the fire of last summer, which destroyed \$350,000 worth of business blocks.

Since that time there has been a war between the local agents and the board of fire underwriters of the Pacific coast, over the matter, which seems to have terminated in favor of the former. The reduction will affect all policies written since Jan. 1, upon which a rebate will be granted. It is expected that on account of the increased fire protection in this city a still greater reduction will be forthcoming within a short time.
